STANDARD INFORMED CONSENT FORM — OBSTETRIC

Authorization

I, Mohammed Nouman Ludhiya, hereby authorize Dr. Aslam and the medical team at S R patil hospital to perform the Lower Segment Cesarean Section (LSCS) procedure on me. I understand that this authorization is for this specific procedure only.

Disclosure & Comprehension

I confirm that Dr. Aslam has explained the Lower Segment Cesarean Section (LSCS) procedure to me in Urdu, which is my preferred language for counseling. I understand the nature of the procedure, its benefits, and the risks involved. I had the opportunity to ask questions and all my queries were answered to the best of Dr. Aslam's ability.

Risks & Complications

I have been informed of the specific risks associated with the Lower Segment Cesarean Section (LSCS) procedure, including heavy bleeding requiring transfusion or hysterectomy, infection (endometritis, wound), injury to bladder or bowel, blood clots (DVT/PE), respiratory issues for the baby, and risks in future pregnancies (placenta accreta, uterine rupture). I understand that unforeseen events may require additional interventions.

Alternatives to Treatment

I have been informed about the available alternatives to the Lower Segment Cesarean Section (LSCS) procedure, including vaginal delivery and instrumental vaginal delivery (forceps/vacuum) if appropriate. I understand the consequences of declining all treatment.

Anaesthesia & Blood Transfusion

I consent to the administration of anaesthesia and blood transfusion if clinically necessary during the procedure.

Disposal of Tissues

The procedure does not involve the removal of tissues or specimens that require pathological examination or disposal.

Voluntariness & Right to Withdraw

I declare that I am giving this consent freely and voluntarily, without any coercion or undue influence. I understand that I have the right to withdraw my consent at any time before the procedure begins.

Capacity Validation

I confirm that I am of sound mind, not intoxicated, and above 18 years of age. I am competent to give this consent.

Information Receipt

I confirm that I have received adequate information about the procedure, risks, and alternatives, and I have had the opportunity to ask questions.
